

Useful resources for Home Learning

Oak National Academy: A government initiative offering daily video lessons for Reception-Year 4. Includes a daily dose of English, Maths and Foundation subject.

<https://classroom.thenational.academy/year-groups>

Barefoot Computing: Some computing activities that do not require any technology but help to develop sequential thinking and problem solving. They need varying degrees of parental support to set up, but have some nice activities if you are looking for something to develop your child's logical problem solving skills.

www.barefootcomputing.org/homelearning

Free Daily Audiobook from David Walliams: A new audio book every day from the popular children's author David Walliams.

<https://www.worldofdavidwalliams.com/elevenses/>

Seven Stories Storytime: Join us at 10:00am on Friday mornings (or anytime after, the video will stay there!). The first offering is Tony Ross reading I Don't Want to Wash My Hands. This is a great story to encourage children (and adults!) to make sure they are washing their hands and staying safe!

www.facebook.com/7stories

Corona Virus – a book for children: A child friendly book specially written and illustrated by the famous duo Julia Donaldson and Axel Scheffler which aims to explain the current Covid-19 situation.

<https://nosycrowcoronavirus.s3-eu-west-1.amazonaws.com/Coronavirus-ABookForChildren.pdf>

North Tyneside Home Learning: A useful website with regularly updated links to things that are happening online such as the “Virtual Visits” etc:

<https://nteysis.org.uk/home-learning/>

Draw with Rob: draw-along video every Tuesday and Thursday at 10am GMT that parents can watch with their children and, hopefully, make some nice pictures. There are also previous ones that he has done that you can watch.

<http://www.robiddulph.com/draw-with-rob>

Scouts UK: a list of activities and instructions on indoor activity for children:

<https://www.scouts.org.uk/the-great-indoors/>

Super Science with Maddie Moate: live science investigations that you can join in with – or catch up on after the event. This week’s theme is ‘Gardening’!

https://www.youtube.com/channel/UCQ0_JQL4wdQd-Xe5hC4PwTg

Whizz Pop Bang: Lots of practical science experiments aimed at Year 2-4.

<https://www.whizzpopbang.com/blog/>

Maths Factor: Currently being offered for free. A web based resource that takes your child through the maths curriculum for their year group. Each session has a short ‘taught’ episode by Carol Vorderman, then an independent task. It follows this up with emails to let you know how your child has got on.

<https://www.themathsfactor.com/>

Cosmic Kids Yoga: Offering you ten minutes of zen like tranquillity with yoga linked to a variety of well known children's story/film characters.

<https://www.youtube.com/user/CosmicKidsYoga>

Reading Eggs: A very structured online/app based reading program that, after an initial placement activity, takes the child through various games and learning tasks aimed at building their confidence with phonics and common exception words. Currently offering 30 day free trial.

<https://readingeggs.co.uk/home-learning/>

Big Cat Reading Books: Offering online access to over 330 of their reading scheme books. These are appropriate to children reading from the Read Write Inc or Oxford Reading Tree schemes. Please see the "Book Band Comparison Chart" at the end of this document to get an idea of which books would be best suited to your child.
